Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

The Voice

Penshurst Anglican Church

We welcome you to our celebrations this morning! If you are a visitor here today, we pray that the Triune God of grace will richly meet you where you are, in the fellowship of His people here at PAC. We also invite you to make yourself known to us through the visitor forms found in the pew holders.

World Vision 40-Hour Famine— This year's 40-hour famine will be concentrating on alleviating poverty and malnutrition in East Timor. The Youth Group will be raising funds through your generous sponsorship as they go without food for 40-hours. They will meet at church on Friday night for a normal youth group evening, but will stay on for an overnight of fun and fellowship. A DVD on the situation in East Timor will be shown. On Sunday, the Youth Group will lead the English church service at 10:30, followed by breaking the fast with a well-deserved lunch. Sponsor them generously!

<u>Combined Choir:</u> A choir for the next combined service will begin rehearsing next week at 2:30pm. Please see Bart if you are interested.

The Women's retreat, scheduled for 20th August is already booked out!

The Men's Breakfast will be on the 3rd of September, with James Honor (Principal of St George Chistian School) speaking about being a man. All men, from youth group age upwards, are invited to participate. This breakfast will certainly be a wonderful time of food and fellowship, and hopefully will pave the way for many more to come in the future.

Pray for the 40-Hour famine

In East Timor, 40 Hour Famine funds will help families increase the amount of food they eat by:

- Creating seed banks to produce more food each harvest
- Improving food storage so that harvested food lasts longer
- Establishing kitchen gardens so families can grow their own vegetables

YOU CAN HELP FAMILIES LIKE LUCIA'S GROW BETTER FOOD CROPS SO KIDS CAN GROW UP STRONG AND HEALTHY...

World Vision projects in East Timor mean farmers and their families can gain access to agricultural training, be part of seed saving groups and learn about improved planting methods and composting in order to improve their crop vields.

To improve the nutrition levels of children under five, mothers are trained on infant and child feeding and diarrhoea and malaria prevention. There are also supplementary feeding programs for pregnant and lactating mothers, as well as access to trained health workers.
