

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

Pray for Kian Holik at UTS

Hope you had a wonderful Easter celebration and rest. HE is risen!

Last weekend was our Easter camp at Credo. We spent total of 5 days talking about the doctrine of the church. About 150 came to the camp. We had an unbeliever international student joining us, please pray that God would touch his heart through the gospel. Please also pray for another international student who was struggling in his faith, that God may strengthen him by his word.

Please pray for energy as we move on to the middle of the semester. Please pray for the international students that they may study diligently for mid term exams and be faithful in the gospel. Please pray for our social at the end of April that many can join.

From this point on we are planning for our mid year camp in the first weekend of July, together with FOCUS from Macquarie University. Please pray for the preparation for that camp. We pray for many can be renewed through the word of God.

Please pray for the Holiks that we are filled with godliness in our prayer, Bible reading and loving one another in Christ. Please continue to pray for our permanent residence application, that it may be smooth and quick.

Two days ago, our own AFES national director, Richard Chin, has lost his wife who has been battling cancer in the last three years. Please pray for God's comfort upon this family.

Thanks for being our faithful partner in Christ, Bart.

Blessings,
