

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

Pray for Kian Holik at UTS

Thanks for your support for our ministry. I realize that you may not be praying for the items that I sent every month, but I do appreciate if you can keep us in your mind.

The past month has been quite hard for us because:

- My cousin, who grew up together with me, died suddenly last week. He has not shown any health problem whatsoever, but God called him back at his early age of 39. Please pray that God the Holy Spirit comforts his family as they are going through this loss.
- Three financial supporters have ceased giving, a total about \$160/month. Please pray that we can continue to trust in his never-ending faithfulness to our family and ministry. Please pray that God can move his people to replace the loss.

Despite these challenges, we rejoice in his salvation and goodness:

- God keeps sending new people to FOCUS activities, and praise God that they can hear the good news in Jesus Christ. Please pray that we can be patient to them as they have limited English. Please also pray that they can finally believe in that great news of salvation.
- God has been working marvellously in our Indonesian small groups. People have bonded together and grow together in understanding of his word. Please pray that many can step up into leadership next year.
- The Holiks family had a chance to rest in the last week of school holiday. We spent time driving south coast and enjoyed beautiful autumn scenery in New South Wales. We thank God that he is growing us together by reading the gospel of Matthew together every night.
- Thank God that Josiah could spend a weekend away in KYCK (youth conference) and learned much from 1 John.

Thank you for your prayer and support. God bless you.
