

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

Pray for Kian Holik at UTS

Hope you are well under the care of our Lord Jesus.

This time of the semester in UTS has been pretty tense as students are finishing up their assignments and preparing for exams at the end of spring semester. Please pray for them so they can finish them well, especially for Christians so they can glorify God in whatever they do.

At the end of spring semester we will farewell about 10 international students who will graduate and some are going back to their home countries. Please pray that they can bring the gospel home or to different places in the world and share it with their family and friends.

Please pray for us as we are in the process of debriefing with our current leaders and coaching with the new ones. At the same time we are preparing our students for our national conference, National Training Event (NTE) in Canberra, 7-11 December and followed by mission in different churches 12-15 December. Please pray as we will be hosting 2 guests from Perkantas Indonesia, and a few from the Pacific islands during NTE.

Praise God for the financial provision God has given us for the coming year. Please pray for people who have been giving to this ministry that God will bring full contentment in the gospel.

Please pray that we (myself and Liza) can be godly parents for Josiah and Joel, modelling Christ in all things that we do. We feel we lack those qualities lately.

Thank you again for your partnership in the gospel for the ministry amongst international students in UTS.

God bless you!
